

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Claim 1 (Currently amended) A slider for a concealed slide faster, comprising:

A bottom plate;

side walls that are erected on both sides of the bottom plate;

a flange provided by bending a top end of each side wall inwardly; and

in the flange at a shoulder opening side, a down-grade slope, which is continuously-inclined downward from a shoulder opening side of the flange to toward the bottom plate at the shoulder opening side, is provided on the flange and the side-wall and in each side wall at the shoulder opening side, a down-grade slope, which is continuous to the down-grade slop in the flange and is inclined downward toward the bottom plate at the shoulder opening side.

Claim 2 (Canceled)
